

A crocheted shopping bag from cotton yarn

v15856

Crochet a shopping bag using the pattern available from this page. The crocheted bag is made using two types of stitches and is ideal for beginners. It is made by crocheting a square and then crocheting the border and handles around the square.

Comment faire

1
See the crochet pattern which is available as a separate PDF file on this page.

2
The sides on the bag form the top edge.

3
The handles and the sides of the bag are made by crocheting a large circle.
