

Figures made from ice lolly sticks and Foam Clay with a magnet

v15826

Make your own magnets for the fridge door by covering wooden ice lolly sticks with Foam Clay L and Foam Clay XL. Glue a magnet onto the back of the figure when dry.

Comment faire

1
Use one large and two small wooden ice lolly sticks for the figure's body.

2
Cover the wooden ice lolly sticks with Foam Clay L and XL according to your preference. Attach the arms onto the body with a small blob of Foam Clay. Leave the figure to dry for 24 hours.

3
Draw the eyes and the mouth with a thin marker that doesn't run into the wood grain.

4
Attach a magnet onto the back of the figure using a glue gun or Clear Multi Glue Gel.
