

## Hanging decorations from scrap pieces of paper

v15974

Make hanging decorations that look like candles from scrap pieces of paper glued around a piece of gold metallic thread.

### *Hoe werkt het*

**1** Find suitable scraps of paper for a candle and trim into shape.

**2** Place a piece of gold metallic thread between the scrap pieces of paper as shown in the photo.

**3** Glue the scrap pieces of paper together around the gold metallic thread using Sticky Base.

**4** Decorate with glitter glue.
