

Braided bracelet in two colours

v11084

Hoe werkt het

1 Double over the blue leather cord and put a black leather cord underneath.

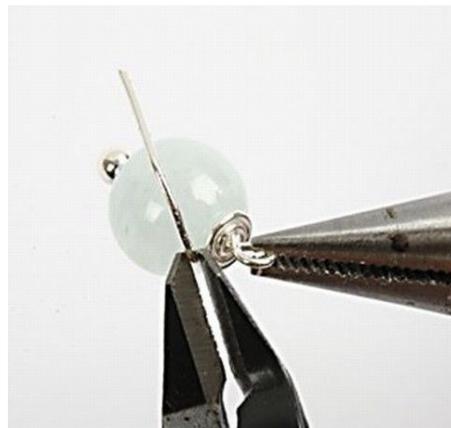

2 Braid around the blue leather cord.

3 Attach a bead onto a ball head pin and bend down.

4 Twist the head pin around.

5 Cut off the excess head pin.

6 Thread the bead onto the black leather cord and a flower bead around the two blue leather cords and braid around this.

7 Tie a knot and glue if necessary.

8 Cut off the leather cords at the right length.
