A Leather Bracelet with Fashion Links and Glass Beads

Hoe werkt het

1 Double over the leather cord. Measure around your wrist for the desired length and add approx. 14cm for the knot. Double over the leather cord in the middle and attach a round jump ring.

2 Put on Fashion Links and round jump rings as desired.

3 Make your own Fashion Links: Put beads onto a ball head pin and twist around round nose pliers.

4 Twist around the pin.

5 Cut off the excess.

6 Push the end in.

7 Attach the Fashion Links onto the round jump rings.
