

## A Heart with Plus Crackle

v11669

Paint the heart. Attach the design and paint. Dab Plus Crackle onto the heart. Apply a coat of white Plus Color paint.

### *Hoe werkt het*

**1.** Paint the heart with black Plus Color paint. Attach the punched out design onto the heart and apply another coat of black Plus Color.

**2.** Dab Plus Crackle onto the heart with a sponge. Let it dry for approx. two hours at room temperature.

**3.** Apply a coat of white Plus Color quickly and evenly.
