

## Decoratieve ballen

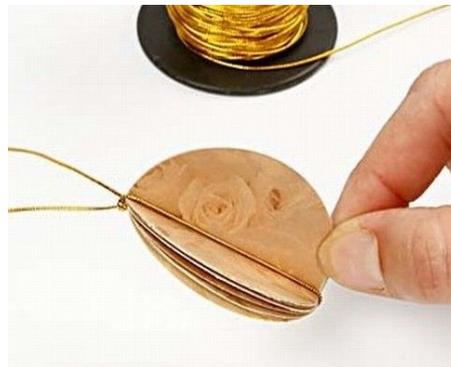

v11982

Decoratieve ballen van papier om op te hangen. Gemaakt van 8 circles en aan elkaar gemaakt met goud draad en Glue Dots. Gedecoreerd met parelmoer plastic kralen.

### *hoe werkt het*

**1** Cut out eight circles and fold them in half.

**2** Put the circles on top of each other and assemble with a piece of gold thread.

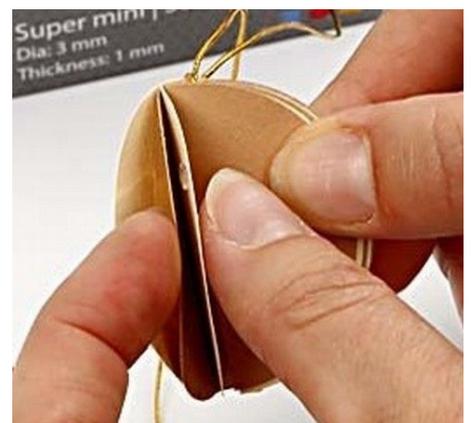

**3** Assemble the sides in pairs with Glue Dots. Start by attaching the Glue Dots approx.  $\frac{1}{4}$  from the bottom.

**4** Press together.

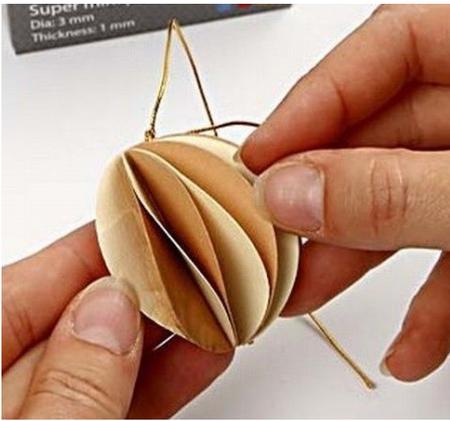

**5** Now assemble the sides towards the left by attaching the Glue Dots approx.  $\frac{1}{4}$  from the top.

**6** Press together.

**7** This is how it should look like:

**8** Attach a Glue Dot  $\frac{1}{4}$  from the top on the last side.

**9** Decorate the thread for hanging with mother-of-pearl plastic beads.
