

## A Wooden Angel for Hanging

v11960

The dress and wings are cut from Vivi Gade Design Paper and glued onto a wooden angel. Silver pipe cleaner is glued around the edge.

### *Hoe werkt het*

**1.** Draw and cut out two pieces of the angel from Bremen paper, using the angel as a template.

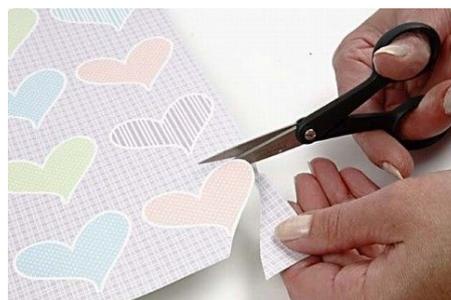

**2.** Cut out and glue the dress onto each side of the wood body using decoupage glitter lacquer.

**3.** Draw the wings onto a different colour paper.

**4.** Glue on the wings.

**5.** Cut out a heart from the heart patterned paper and glue it onto the dress.

**6.** Glue silver pipe cleaners around the edge of the angel.

7. Draw a face.

8. Tie a silver thread onto the top of the angel for hanging.
