

Engel gemaakt van een kegel

v11927

Maak het lijf van de engel van een uitgestanste kegel, geverfd met Plus Color Acrylverf. Knip het kleed en de vleugels uit Vii Gade Design papier (London serie). Tot slot, decoreer met cake servetten, haar en kralenkappen.

Hoe werkt het

1 Paint the punched-out cone with Plus Color.

2 Draw the dress using the template and cut out.

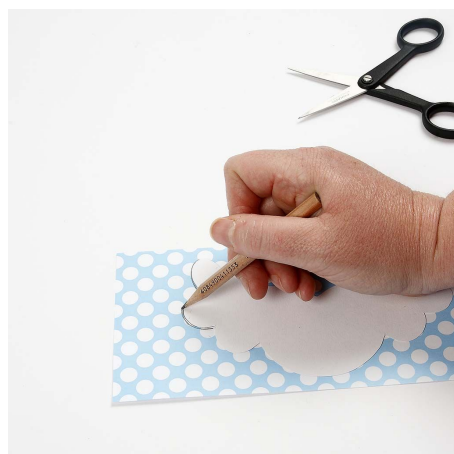

3 Attach the dress onto the cone using special double-sided adhesive tape and decorate with a paper lace border.

4 Attach a piece of a cake napkin onto the angel as a collar. Assemble the cone using special double-sided adhesive tape.

5 Paint a face on a cotton ball before attaching it onto the tip of the cone with a glue gun.

6 Draw the wings using the template and cut out.

7 Attach half a cake napkin to each wing using special double-sided adhesive tape and then attach the wings to the angel with a glue gun.

8 Attach the hair, bow and silver bead caps onto the angel using a glue gun.
