

A Bracelet with Ceramic Beads

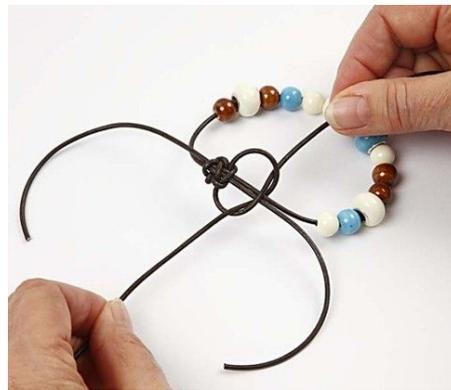

v12170

Fashionable ceramic beads are threaded onto a piece of leather cord. It's closed with a braiding.

hoe werkt het

1. Thread 16cm of beads onto a 50cm long leather cord.

2. Arrange the ends in parallel. Braid around these with an approx. 40cm long piece of leather cord.

3. Secure the ends from the braiding onto the back.

4. Close the other two ends with a bead and a knot when the bracelet is wide enough to go over the hand.
