

## Cones with Feathers

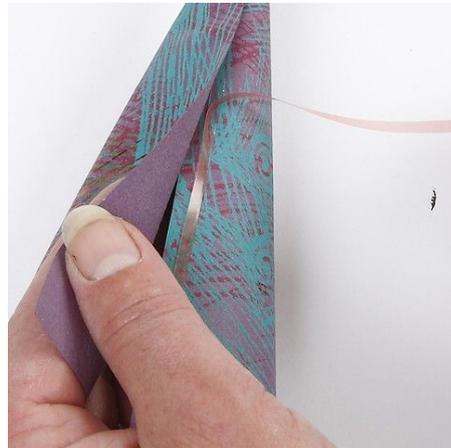

v12683

These cones are folded from handmade paper and decorated with gold ribbon and peacock feathers.

### *Hoe werkt het*

**1.** Trim the peacock feather and wrap floral wire around the stem of the feather.

**2.** Fold the cone and assemble it using double-sided adhesive tape. Place the feather at the tip of the cone, making sure it is attached to the tape when assembling the cone.

**3.** Decorate the cone with gold ribbon attached with double-sided adhesive tape.
