

Een blauw gedekte tafel met een spannend tintje

v13788

Deze tafel is voornamelijk gedekt met artikelen uit de blauwe Happy Moments serie. De rode bloemen en de rode servet zorgen voor een spannend tintje en een chique uitstraling. Over de tafel verspreid zijn rozetten gemaakt van Happy Moments karton en glass gems. Aan het wijnglas is een houten naamkaart bevestigd.

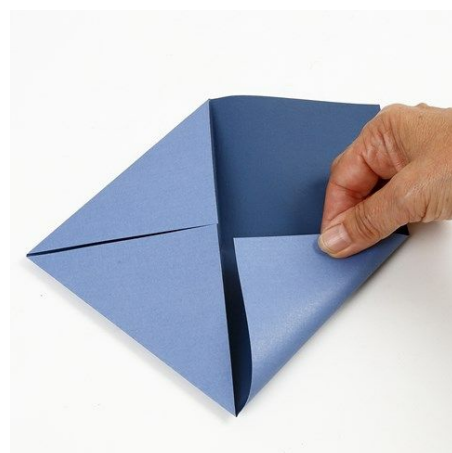

Hoe werkt het

1. Use a bone folder for scoring lines, 1.5cm apart, across the width of an entire piece of A4. Fold along the scored lines. Make two pieces of A4 following the described procedure and pleat (zig-zag) each of them before gluing them together for double thickness.

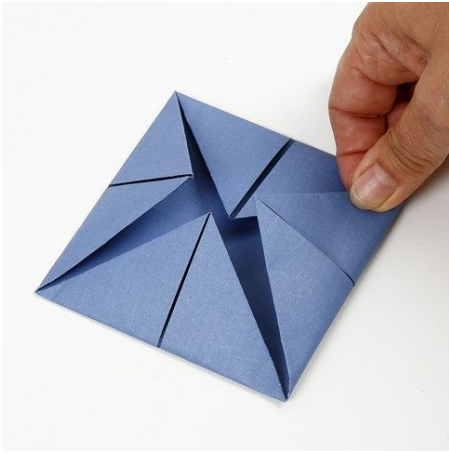

2. Tie a piece of thread around the middle. Glue the outer sides together to form a rosette. Decorate the assembled rosette with a glued-on glass deco stone in the middle.

3. A bowl made from paper, divided into quarters (flip-flap): Fold a piece of square paper in both dimensions. Unfold and fold each corner to the centre of the scored cross.

4. Turn over to the opposite side and fold all four corners towards the centre. Fold in half and gently squeeze from each side, creating four “wings”. Let the wings point slightly upwards.

5. Turn over to the other side. Fold each outer flap towards its outer corner. Use the four compartments created at each wing, for example for snacks.
