

## Finger Knitting with Fantasia Acrylic Yarn

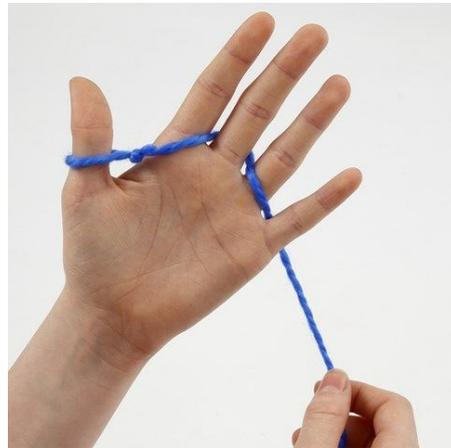

v13722

These knitted necklaces and bracelets are made from Fantasia Acrylic Yarn according to the finger knitting technique.

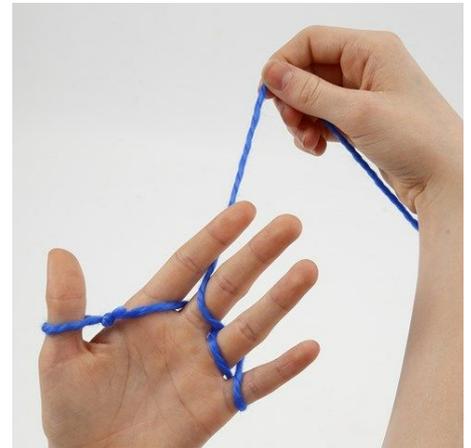

### *hoe werkt het*

**1.** Make a loop and tie it around your thumb.

**2.** Feed the yarn in and out between your fingers as illustrated.

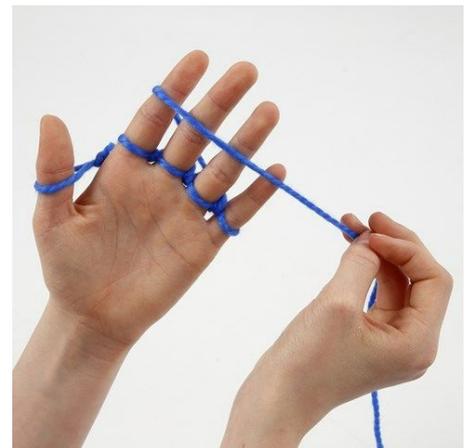

**3.** Feed the yarn the same way back like a number eight.

**4.** Put the yarn across the four fingers.

**5.** Lift the loop over the yarn at each finger.

**6.** Repeat the procedure of feeding the yarn around each finger and lift the loops by each finger as described above.

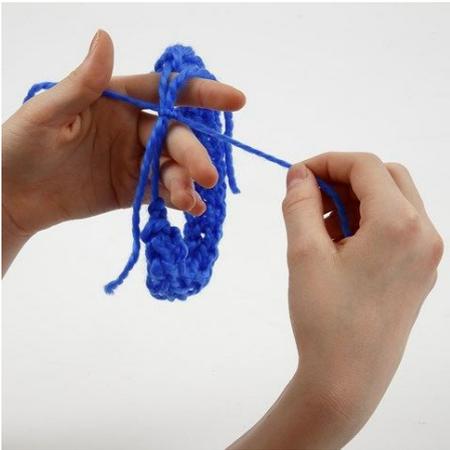

**7.** Make sure to tighten the work as you go along.

**8.** Continue the procedure until the desired length is reached.

**9.** Finish by lifting the loops over the fingers.

**A TIP** The bracelet: Braid across the two ends which are placed in parallel. Trim and finish by tying a knot.
