Uitnodiging in zwart/wit met overhemd en vlinderstrik

v15170

Maak zelf uitnodigingen voor je communie feest met een overhemd en vlinderstrik van textuurpapier en zelfklevende strasstenen voor de knopen.

Hoe werkt het

1 Attach design tape onto the front of the greeting card.

2 Cut an 8x10 cm piece of white paper. Make a 2.5 cm cut in the middle at the top.

3 Fold a flap on each side. Attach the shirt onto the front of the greeting card using double-sided adhesive tape.

4 Cut two bow ties from black paper using a template + a strip of paper for the knot in the middle of the bow tie.

5 Fold both of the two bow tie cut-outs to form one side of the bow tie each. Secure the ends with double-sided adhesive tape. Cover the joint with the strip of paper and attach the bow tie onto the shirt.

6 Use self-adhesive rhinestones for buttons.

7 Print text on a piece of paper and attach onto the greeting card with double-sided adhesive tape.
