

Gehaakte kerstsok voor adventskalender cadeaus

v15442

Deze kerstsok is gehaakt op een nr. 35 haaknaald. Voor dit idee zijn 2 bollen rood en 1 bol witte XL Chunky garen (300g) gebruikt.

hoe werkt het

1 Crochet the Christmas stocking on a No. 35 crochet hook. Find the pattern as an attached PDF file on this page.

2 Crochet 10 basic chain stitches for hanging the Christmas stocking.

3 Make pom-poms by winding the XL chunky yarn 10 times around the pom-pom tool. Tie a piece of sock wool tightly around the middle of the wound bundle of wool and cut the yarn open on both sides. Trim the pom-pom into shape – you may refer to the step-by-step instructions on the packaging.

4 Attach the hook for hanging made from chain stitches onto the top edge by stitching the yarn ends along the edge of the stocking with your fingers. Tie the pom-poms onto the bottom of the hook with a piece of string made from two pieces of sock wool (twist them around themselves and double them over, creating a 4-ply piece of yarn).

A crocheted Christmas Stocking for Advent Calendar Presents

This Christmas stocking is crocheted with double crochet stitches on a No. 35 crochet hook using two balls of red and one ball of white XL chunky yarn (300 g).

Crochet the Christmas stocking on a No. 35 crochet hook.

Crochet 15 chain stitches and crochet 14 dc back – a total of 2 rows of double crochet stitches.

Cut the yarn and crochet 3 rows of dc over the middle 8 stitches.

Change to white and crochet two rows. Sew the stocking together by stitching the yarn ends along the edge of the stocking using your fingers.
