

Sock Animals

v16222

A fun and different way to make figures. You can shape your very own figures or small sculptures with bonsai wire, a nylon sock and paint. The figure can become anything you like. Just look here!
TARGET GROUP: juniors (Y4-Y6) and seniors (Y7-Y9)

Hoe werkt het

1

Shape a figure from bonzai wire and attach it to a wooden base.

2

Pull a nylon sock over the figure.

3

Apply Super Primer with a brush and leave to dry.

4

Paint and decorate the figure with Art School acrylic paint.

5

You may decorate the figure with 3D liner, feathers, etc.
