

## Slender Paper Cones

v11881

Cut the cones using the template and decorate with sequin ribbon and coloured feathers.

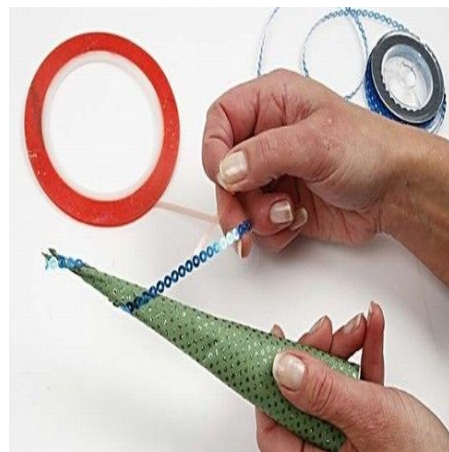

### *Hoe werkt het*

**1**  
Draw the cone using the template and cut out.

**2**  
Assemble the cone with double-sided adhesive tape.

**3**  
Attach sequin ribbon around the cone using double-sided adhesive tape. Start at the tip of the cone with tape and ribbon and finish at the top with a handle (don't apply tape on the reverse of the handle).

**4**  
Cut a piece of gold decorative trim and glue it onto the top edge of the cone using double-sided adhesive tape.

**5**  
Also attach a small strip of decorative trim with rhinestones onto the top edge of the cone.

**6**  
Finally attach a small feather on top by the decorative trim.
