

Menukaart met kant karton en deco-folie

v15387

Maak zelf je menukaarten gedecoreerd met kant karton, een satijnen strik, strasstenen en deco-folie.

Hoe werkt het

1
Cut a 7.5 x 18 cm piece of card. Cut a piece of lace patterned card and attach it onto the front of the card at the top.

2
Print out the menu text and glue it onto the front of the card. Tie a satin ribbon bow and glue it on. Decorate further with self-adhesive rhinestones in the middle of the lace patterned card flowers.

3
Write MENU on the card with a glue pen (you may write it with a pencil first). Leave the glue text until it is tacky; i.e. it's still sticky, but doesn't stick to the fingers when touched. Place the deco foil on top and rub hard to attach it onto the glue. Carefully remove the deco foil sheet.
