

Lichtgevend spook en doodshoofd van Nabbi strijkkralen

v15537

Maak je eigen hangende decoraties met zwarte en lichtgevende Nabbi strijkkralen en laat de griezeligheid beginnen. Deze figuren geven licht in het donker.

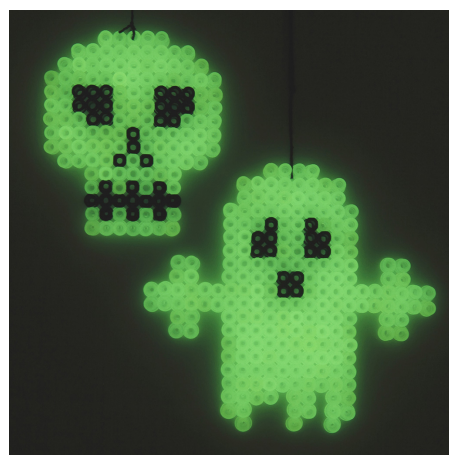

Hoe werkt het

1
You may print out the template which is available as a separate PDF file on this page. Place the template underneath the pegboard as a guide. Place the Nabbi fuse beads on the pegboard following the template or make figures by making up your own designs.

2
Place a piece of baking paper on top of the beads and iron them together with an iron until all the beads are lightly melted together.
